

# The Power of Godly Vision

April-June 2024

AllSaints

**Apr - Jun 2024 Sermon Series - The Power of Godly Vision**  
Isaiah for everyone. Sundays 9,11 and 5 at All Saints, Weston

We need a Godly vision to frame and empower our lives. Isaiah was a visionary prophet who wrote hundreds of years before Christ, but Jesus himself quoted Isaiah when describing his mission and purpose. During April, May and June we'll examine just some of these scriptures as we reflect on our own vision and calling.
